

What is this new Portal for?

Written by Administrator

Monday, 11 August 2008 00:42 - Last Updated Thursday, 29 July 2010 19:36

Collectronics Business Solutions, L.P., is pleased to announce the launch of its Client Support Portal. This portal will serve as the host for information relating to Collectronics' CollectMinder[®], e

-nForce

®

, and ProjectMinder

®

applications. Portal content will include information relating to the applications, such as release schedules, new product features, training materials, FAQs and live chat with one of our production support specialists. Other portal content may include client testimonials, marketing ideas, technology updates and other information geared towards enhancing Collectronics' clients' experience with the applications.

Your feedback is appreciated.

Enjoy!
